stunning apartment with shared swimming pool near san gimignano San Gimignano (Siena)

Beautiful property located on a hill between the medieval city of San Gimignano and the city of Poggibonsi.

The farm complex, perfectly renovated in the year 2009 with great attention to preserving the typical style of the old farmhouses, is composed of 7 units.

The apartment we offer for sale is on the first floor and consists of:
large living / dining room with typical Tuscan fireplace, 2 bedrooms, a studyroom that could possibly be used as a small single bedroom, a bathroom/laundry room, a storage room, a kitchen, and two hallways.

This beautiful apartment does not have a private garden, however it has a beautiful shared swimming pool with solarium area, a condominium oven, and a condominium parking.

The property is heated both by the heating system with LPG boiler and above all by a heat pump heating system that guarantees heating in the winter months and air conditioning in the summer months, integrating when necessary also LPG heating.
As far as domestic water heating is concerned, this is produced via solar panels and the LPG boiler.
Furthermore, there is an internet line and water supply is provided by a private network.

The splendid 7x14Mt swimming pool is set in a panoramic and sunny position and around it there is a large area with sunbeds and umbrellas.

The property is located in the municipality of San Gimignano, whose center is about 7 km and is reached by about 2.8 km of gravel road
