2 beds apartment with shared swimming pool Volterra (Pisa)

SOLE AGENT LISTING

The farmhouse complex is a carefully restored hilltop hamlet "Borgo", dating back to the 9th century, nestled in the heart of Tuscany.

The renovation, completed in 2008, includes 24 apartments and a shared swimming pool.

For the renovation of the apartments skilled craftsmen and materials were used in harmony with the ancient structures, while providing all modern comforts. With a commanding position, the panoramic views from all four buildings are breathtaking. It is certainly one of the most beautiful restorations in the region.

Composition of the apartment:

You enter the apartment through the private garden of about 37 square meters in the kitchen. Here we find a living / dining room with corner kitchen and fireplace, large storage room, bedroom, bathroom and corridor; in the kitchen, a spiral staircase leads to the upper floor which houses a bedroom with private bathroom.

The surface of the apartment is about 80 square meters, and the sale includes a private parking space.

The property is located in the center of the three historic Tuscan cities of Pisa, Siena and San Gimignano. It is set in a fairly rural location, yet only a 15-minute drive from the beautiful hilltop town of Volterra.

The Borgo is located in the municipality of Montecatini Val di Cecina and is about 12 km from Volterra.

Access to the building complex is very convenient and without a gravel road.
