Beautiful apartment in ancient farmhouse with swimming-pool San Gimignano (Siena)

In stunning panoramic position, on a hill with 360 degrees views, there is this beautiful stone property totally restored with special care, attention and taste, and in the respect of the traditional Tuscan farmhouses and with the use of very high standard materials. Il property was built in the 18 century as a rural hamlet on the ancient Via Francigena pilgrim route. It is said that in the 16th century, Michelangelo passed several nights here on a trip to Rome, fascinated by the beauty of the location.

The complex consists of:

- A main farmhouse divided into n. 6 stunning apartments;
- A shed made of a single house, sold
- A furnace made of a single house, not for sale

Around the property there are about 1,5 Hectares of gardens and the stunning shared swimming pool which enjoys spectacular views of the medieval worldwide famous town of San Gimignano and the surrounding countryside.

Apartment No 4, entrance hall, spacious living room, kirchen, 3 bedrooms, 2 bathrooms, private garden

This apartment is the largest and most prestigious in the complex; it has an independent ground floor entrance with stairs leading up to the first room, an studyroom/bedroom on the mezzanine floor, followed by the large living room with skilfully restored old fireplace, then the kitchen, double bedroom, dressing room and bathroom and, via another vestibule, the second double bedroom with en suite bathroom and, finally, another bedroom which is reached via an internal staircase with gallery mezzanine; the total area is 220 sq.m..

The apartment can be reached via the building's walkway directly from the private garden located in front of the day area with its view over San Gimignano, from which a series of steps leads to the shared swimming pool in the lower outdoors level.

The apartment is fully furnished and renovated, leaving all the original details like the traditional exposed beam brick ceilings and the antique terracotta brick floors. The light coloured furniture and exposed wood make the interior warm and welcoming, a mix of shabby chic and rustic. The large, airy living room faces onto the garden, offering a sensation of peace and nature through its panoramic windows.
